Auditor's Report

STATE OF MAINE

STATE DEPARTMENT OF AUDIT

Augusta

May 24, 1948

Board of Selectmen
Cushing
Maine
Gentlemen:

In accordance with Chapter 16, Section 3 of the Revised Statutes of 1944 and at your request, the records of the Town of Cushing have been audited by Auditor R. M. Parsons for the period February 3, 1947 to February 2, 1948 inclusive.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying Comments.

Exhibits and Schedules incorporated in this report present the result of the financial operations of the Town for the period designated. Recommendations are offered which are believed to be worthy of your consideration.

All of which is respectfully submitted.

Very truly yours,

Fred M. Berry
State Auditor

COMMENTS

**Re: Audit of Accounts - Town of Cushing
February 3, 1947 to February 2, 1948**

An examination has been completed of the books and records of the Town of Cushing for the year ended February 2, 1948. This examination was conducted in conformity with generally accepted auditing standards and included a check of all cash transactions, and such test checks of other operations as seemed advisable.

All asset and liability accounts were reviewed and verifications made to the extent deemed necessary.

CASH

An analysis was made of the Treasurer's receipts and the cash balance of \$855.24, as reflected by the records, was reconciled with the January 31, 1948 bank statement furnished by the Thomaston National Bank.

Cash in the amount of \$262.47 was deposited for which no receipts were issued. An analysis of the tax accounts indicated collections in the amount of \$124.42 had not been credited, leaving a balance of \$138.05 which could not be allocated to a specific account. This amount has been set up as a suspense item pending location of the proper credit.

Unpaid warrant items totaling \$63.48 were set up as accounts payable.

All expenditures were made by check and were supported by properly authorized warrants.

ACCOUNTS RECEIVABLE

This account totaled \$445.87 at the year end and is comprised of current items which appear to be collectible.

TAXES RECEIVABLE

The 1947 tax commitment book was added and checked. An error of \$3.00 in addition was noted and adjusted. Collections and abatements accounted for approximately 99 per cent of the current commitment. The taxes remaining unpaid totaled \$275.70 and the detail is shown on Schedule A-5.

All transactions affecting prior years' taxes were examined and found to have been properly handled.

ACCOUNTS PAYABLE

The items comprising this account are detailed on Schedule A-3.

NOTES PAYABLE

The item in this account is the 1947 tax anticipation note of \$2,000 which was outstanding at the year end.

CASH SUSPENSE

The item in this account is an unidentified deposit made by the Treasurer in the amount of \$138.05.

(Page 17)

DEFICIT

The Net Deficit at the year end was:		
Departmental Overdrafts	(Red)	\$4,694.66
Unappropriated Surplus		3,782.83
Net Deficit		(Red) \$911.83

The Departmental Overdrafts represent the balances of certain appropriation accounts which are carried forward to the 1948 year.

The Unappropriated Surplus of \$4,867.32 at the beginning of the year was decreased by \$1,084.49, leaving a balance of \$3,782.83 at the year end. A complete analysis of this account is presented on Exhibit E.

TRUST FUNDS

The trust fund records were examined and as far as could be determined the income from investments had been properly accounted for. Expenditures were made in accordance with the terms of the trusts. All investments were examined.

GENERAL

A corporate surety bond in the amount of \$8,000 was furnished by the Tax Collector-Treasurer.

Paid vouchers and pay rolls on file were test checked and as far as could be determined, those examined appeared to be reasonable and proper charges.

The Collector's copies of 1947 excise tax receipts Nos. 30 to 204 and those for 1948, Nos. 1 to 50, were added and checked.

A net overdraft in the amount of \$1,939.14 has been charged to the Surplus account. The Attorney General has rendered an opinion on this point and it is included for the benefit of the municipal officers.

"The municipal officers are bound by the terms of the articles in the warrant calling the meeting providing for the expenditure of money. The officers should not spend more than the taxpayers appropriated at town meeting, unless the statute expressly authorizes an expenditure in excess of the appropriation."

The provisions of Chapter 84, Section 81 of the Revised Statutes of 1944, however, relate to expenditures of monies for highway purposes and permit overdrafts in cases of emergencies to the extent of 15 per cent of the appropriation.

RECOMMENDATIONS

It is recommended that,

The Treasurer issue a receipt for all monies received when received.

The Treasurer enter the check numbers on the warrant in the space provided.

The Treasurer reconcile his cashbook and checkbook balances with the bank balance each month.

The Selectmen maintain a general ledger and distribution book and balance them monthly.

Report of The School Department

To the Superintending School Committee and the citizens of Cushing:

Please accept my first annual report as your Superintendent of Schools.

This year has brought two changes in our teaching staff. Mrs. Martha Payson at the Broad Cove school, and Mrs. Mary Crie at the Longfellow school, both resigned at the close of the fall term. We secured Mrs. Lucille Stone for the Broad Cove school. Mrs. Stone has good training and experience. She is doing good work with her pupils. At the Longfellow school, Mrs. Marguerite Sylvester was employed. She is also an experienced teacher who is getting good results from her group. We are very fortunate to have three experienced, efficient, and thorough teachers in the town.

The pupils in the Pleasant Point section are being transported. This is in accordance with the vote taken at the last town meeting.

All of the buildings need repairs to make them more suitable for school purposes. They should be painted on the inside with a light shade of paint. This will help to make the rooms more cheerful and will save the pupils' eyesight. Small tables and chairs should be provided for the lower grade children. The Broad Cove school needs new fluorescent type lights. I recommend the installation of an oil burning heater at the Broad Cove school. It has been impossible to secure a janitor here. A new heater would keep the building warm so that it would be comfortable when the teacher and the pupils arrived in the morning.

(Page 25)

There should be an appropriation of seven hundred dollars to take care of necessary repairs.

In conclusion, I want to express my thanks to all those who have helped to make this year a pleasant one.

Respectfully submitted,

Joseph E. Blaisdell

Assessors of Cushing

Town Warrant

To B. C. Geyer, a constable of the Town of Cushing in the County of Knox:

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said town of Cushing qualified by law to vote in town affairs to assemble at the Grange Hall on Monday the 28th day of March A. D. 1949, at seven o'clock in the evening to act on the following articles to wit:

Article (1) To Choose a Moderator to preside at said meeting.

Article (2) To choose a Town Clerk for the ensuing year.

Article (3) To act on the report of the Municipal officers.

Article (4) To choose Selectmen, Assessors, and Overseers of the Poor.

Article (5) To choose a member of the School Committee for three years.

Article (6) To choose one or more Road Commissioners.

Article (7) To Choose a Tax Collector and vote his Compensation.

Article (8) To choose all other necessary Town Officers.

Article (9) To see what sums of money the town will vote to raise and appropriate for the following purposes.

- (a) For Common Schools.
- (b) For the repairs of Roads and Bridges.
- (c) For the Support of the Poor.
- (d) For Mothers Aid.
- (e) For Snow Removal.
- (f) For the Repairs of School Buildings.
- (g) For Town Officers.
- (h) For Superintendent of Schools.
- (i) For Incidentals.
- (j) For State Aid Patrol.

To the Taxpayers of Cushing:

On the two center pages of this report is printed a consolidated financial statement for the year 1949. All receipts and expenditures are shown in relation to budget appropriations. This has been done to make readily available to Taxpayers a complete picture of the Town's financial status at the end of the fiscal year.

In the interest of economy the selectmen have eliminated, in this report, the listings of separate items of expenditure. All of this information is available in the selectmen's books which are open for inspection at all times.

Auditor's Report

We hereby certify, that there is available at the office of the Selectmen of Cushing, Maine, for examination by the inhabitants of the town, a true and complete copy of the report of our auditors, on their examination of the Selectmen's, Treasurer's and Tax Collector's books, for the year ending February 7, 1949 and for the year ending February 6, 1950.

Report of The School Department

To the Citizens and Superintending School Committee of the Town of Cushing:

This is my second annual report as Superintendent of your schools. We have been fortunate in that two of our fine teachers, Mrs. Young and Mrs. Stone, returned and are doing an excellent job with their pupils. We were able to secure Mrs. Clara Burton of Thomaston for the Longfellow School. Mrs. Burton is an experienced and successful teacher. She is getting along well in her position.

We have made some very necessary repairs on the school buildings. At the Longfellow School the front sill has been replaced and a new outside door has been added. The Pleasant Point School has a new outside door, and the floor has been painted. An oil burning heater has been installed in the Broad Cove School. This was a necessity since we could find no janitor for this building. Fluorescent lights have been put in all of the rooms. This improvement cannot be measured in terms of money. If it saves one pupil's eyesight, it is worth many times the money expended. There are still many things to be done to the buildings to make them suitable places for the education of the children.

The Parent Teachers Association has purchased play ground equipment and primary tables and chairs for the younger pupils. These additions are much appreciated by pupils and teachers. This group has also sponsored the milk program in the schools.

The time is fast approaching when the town must provide for the building of a new school. I hope that the town this year will set aside some amount toward

(Page 10)

the construction of a building when its finances will permit.

I want to express my appreciation to the citizens, School Committee, teachers, and town officials for their cooperation in making our schools better places for our boys and girls.

Respectfully submitted,

Joseph E. Blaisdell

Assessors' Report

To the tax payers of the town of Cushing for the year 1949:

The state has asked the assessors to use the year book and have property boundaries corrected yearly thus eliminating the ten year book. Notices were sent out with tax bills so that corrections could be made in the next book. To date there are several papers out that should be filled out and returned.
